

CONTEXTUAL INFORMATION CLEANER

We are seeking to appoint a highly motivated individual who takes a pride in their work to join our existing team of in-house cleaners to deliver a wide range of cleaning services to a high quality and consistent standard.

Our superb school building and grounds opened in 2002, incorporating all weather sports pitches and athletics track, together with a full range of both specialist and non-specialist classrooms, meet the needs of our 21st century students during school hours and are available for hire by the community out of school hours. We are currently undergoing extensive building work to extend our school to provide additional teaching classrooms and offices. Temporary classrooms will, in the meantime, be installed and an additional cleaning operative is therefore required to join the existing team.

The number of weeks you will be paid each year is 43.89 weeks based on grade and as a result you are not entitled to take holiday entitlement during term time. This may increase dependent on any continuous service.

After the induction period, a planned professional development programme will be agreed, linked to the competency-based performance review system, which is carried out in school for all staff.

Other opportunities may involve getting involved in sport (e.g. staff cycling team) and participating in staff social events.

Start Date

It is anticipated that the successful candidates will be able to start as soon as possible following appointment. However, we will always appoint the individual whom we believe to be the best person for the job, and if there is a delay whilst extended notice is worked, then that is accepted.
